General Information and Completion Instructions:

1. This form is intended for the registration of breach reports via an internal and/or external reporting channel:
 - “Internal reporting of information” (to the obliged entities under Article 12 of the Whistleblower Protection Act³) means verbal or written communication of information about breaches within a legal entity in the private or public sector;
 - “External reporting of information” (before the CPDP) means verbal or written communication of information about breaches to the competent authorities.
2. When completing the form that is to be submitted to the CPDP via the external reporting channel, it has to be indicated whether the report is submitted via an internal reporting channel, as well.
3. **IMPORTANT!** The form is intended for official use related to the registration of a report by the officials designated by the obliged entities, responsible for the reception and registration of such reports. The form can also be used by the persons submitting reports as a template for a report. In this case the person submitting the report only completes Parts I—V (inclusive).
4. The form is also intended for cases of verbal reporting. In such cases the official designated for the reception and registration of reports documents the report by completing the form. After the completion of the form the official invites the person submitting the report to sign it, if they consent to do so, and marks their consent or refusal in the respective part of the form. The signature must be affixed within 7 days of the invitation.
5. Reports are reviewed when submitted by an individual, in person or via a proxy with an express written power of attorney (no notarisation required), via an external reporting channel or an internal reporting channel, or via public disclosure of information about breaches in a work context.
6. When a report is submitted via a proxy, the original copy of the power of attorney under item 4 must be attached.

For the official receiving and registering reports:

7. Obtaining a Unique Identification Number is mandatory when registering reports for the purposes of the internal reporting channel. A UIN is generated at CPDP’s website. In order to obtain a UIN the official responsible for the reception and registration of reports selects the “Obtain a UIN” option and then enters the following information:
 - Name and UIC/BULSTAT of the employer to whom the report was submitted;
 - Identification data of the official responsible for the reception and registration of the report;
 - Subject matter of the report (respective fields of the breach);
 - Method of submission (written or verbal).
8. Within the time frame envisaged by law, the person submitting the report is provided with information about the UIN and the registration date of the report.
9. All submitted reports are registered. The circumstances under items 9—11 of these instructions are considered after the completion of the registration and the obtaining of a UIN.
10. No proceedings are launched for anonymous reports and reports related to breaches occurring more than two years ago.
11. Reports are not examined if they do not fall within the scope of the Whistleblower Protection Act or if their content does not provide convincing reasons to perceive them as plausible.
12. Registered reports containing manifestly false or misleading statements and facts are returned with an instruction to the person submitting the report to make corrections to the statements, reminding them of the liability they bear for false accusations under Article 286 of the Criminal Code.
